“This is about prevention and information. We have to make them aware of the risks and the dangers and inform them how they may be approached and how they should react. We
have provided a hotline where every athlete from around the world can contact us at any
time to seek advice or make us aware of any kinds of problems and we can react
immediately.

Vox pop YOG athlete:

“I think it’s very important in a sport to play fair without doping because it influences you
growing up and the way you play, so it’s not fair between the teams.”

Vox pop YOG athlete:

“Yeah, I think lots of people want to do it when they don’t get so much money. I think it’s
difficult to teach people that.”

Vox pop of YOG athlete:

“I think it’s important for the future so they don’t start doping and they know the
consequences of it, I think.”
