**Answer:** "It was so cool, I was just like speechless and I just felt very proud, definitely."

**Question:** What was the hardest part of getting that gold medal today?

**Answer:** "Just trying to stay focused at a big world class event like this – it's easy to lose focus with all the cameras and all the people watching so I was just focusing on the run and being the fastest run down the course."

**Question:** What did you think of the competition? Was it really hard at some parts of the competition?

**Answer:** "Definitely there was some really good guys here, and some didn't make it into the Big Final but that's Ski Cross and I just felt like I had the best day for sure."

**Question:** Did you give yourself any advice or rituals before starting today?

**Answer:** "when I get into the gate I just try and get tunnel vision looking down the start and focus up and be the first one to that first gate."

**Question:** What do you think you've learnt from being here at the Youth Olympic Games and coming first?

**Answer:** "Well, I've learned a lot about what it's like going to an Olympic event and now I know what it's like to win it's an awesome feeling."

End.
