Answer: I knew that they were all right behind me so I tried to push them up in the turn a little bit, it didn't work too well so I just had to get my lowest tuck and get to the finish line first and stuck my board out and won by just a little but so I'm super excited and just speechless right now, it's awesome."

Answer: Let me think, probably my Heat, the first Heat today was the same as the Final Heat actually, so it was all the same guys, and I came in and I was in second the whole run and then I ended up passing my buddy Sebastian (Pietrzykowski) and that was a tough part because he's a really good rider so for me to pass him was really tough but it happened and that was the best part of today."

Answer: Everything – this is the best event I've ever been to by far and just to have the gold medal is unbelievable. But the whole Youth Olympic Games is awesome, just the venues, the course and everyone's support here is awesome."
