Answer: “Yes, I think we have some history – we have very many good pilots in Germany and they shared their experience with us. Maybe Wolfgang Hoppe, he’s the greatest Bobsledder in the world I would say, and now he is my trainer and he tells me everything about the Bobsleigh and the experience is the most interesting thing.”

**Answer:** “We know that all guys from the Youth Olympic Games are very good at Bobsleigh driving, and we know that it’s important to have a good start and that we must have some luck to create a good and fast run. I’m very happy with my two Runs and my two good starts – I think that’s why I won today.”
