### **STORY SCRIPT:**

The gymnastics continued at the Youth Olympic Games Buenos Aires 2018 on Saturday (13th October).

Takeru Kitazono of Japan - the men's all around gold medal winner - won his second of the Games.

He secured a points total of 13.633 in the men's floor exercise final to take the gold medal.

Hungarian gymnast Krisztian Balazs took the silver medal with 13.600, while the bronze medal went to Sergei Naidin of Russia.

Giorgia Villa - winner of the women's overall gold medal on Friday - collected her second gold medal of the Games by winning the vault.

The 2018 European junior champion, Villa produced a highly technical first effort with a difficulty rating of 5.400.

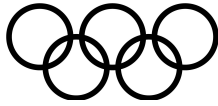

She executed it impressively to lead the standings after the first round, enabling her to go for a safer second vault and to heap the pressure on her rivals.

She duly took the gold medal with a total score of 14.233.

Fifteen year old Csenge Bacskay of Hungary took the silver medal with 13.933 while Canadian Emma Spence took bronze with 13.483.

The Men's vault gold medal went to Dehang Yin of China.

He attempted an ambitious vault with a difficulty rating of 5500, and executed it well for a total score of 13.900.

Sergei Naidin of Russia clinched his second medal of the day - and this third of the Games - by taking the silver with his total of 13.500.

The bronze medal went to Iranian gymnast Reza Bohloulzade Hajlari.

The Women's uneven bars was the last gymnastic medal of the day to be decided.

Fourteen year old Kseniia Klimenko of Russia won the gold medal with a score of 14.266.

Giorgia Villa took the silver medal - missing out on gold by just 0.100 - for her third medal of the Games.

The bronze medal was won by Xijing Tang of China, who had finished a frustrating fourth place in the women's overall competition.

Her score was 13.900.

Buenos Aires 2018 is the third edition of the Summer Youth Olympic Games (YOG) to be held, bringing together the world's best young athletes between the ages of 15 and 18. For the first time in Olympic history the Games will have gender equality, with equal numbers of males and females competing in the 32-sport programme.

Almost 4,000 athletes from 206 National Olympic Committees will be competing for 1,250 medals. The Youth Olympic Games Buenos Aires 2018 feature new sports and many new disciplines and events, reflecting the passions of the 'Game Changers', a new generation of athletes and fans.

The event offers a glimpse into the future of the Games as the new programme will introduce several innovations that will be replicated at the Olympic Games Tokyo 2020.

The first Summer Youth Olympic Games took place in Singapore in 2010. The second edition was held in the Chinese city of Nanjing in 2014.

"やっぱり個人総合で取って、種目別も取るというのが目標で、床で取れてよかったんですけど、鞍馬で落下してしまったので、まああんまり今は、嬉しい気持ちはないんですけど。まあ、床で取れたことは自信に変えてやっていきたいです。"

I am also aiming to win in every event after I won the gold medal in the individual all-around. I am delighted to have claimed a gold in the floor exercise, but I shouldn't be excited as I fell off the pommel horse. Anyway, I restored confidence by capturing a gold in the floor exercise.

“まあ3回ひねり、ラストの3回ひねりの着地は、着地勝負になると思っていたんで、絶対に止めようと思って、いって止まったんで、まあそこがよかったんです。”

As for the triple twisting, I think the last triple twist landing was a decisive factor, and I landed steadily as I expected. That was great.
