STORY SCRIPT:

Argentina's Women's hockey team sent their fans wild with delight at Buenos Aires 2018 by winning Gold in the Argentine capital.

The Argentinian's were up against India and suffered an early blow, conceding a goal in the opening minutes. Mumtaz Khan scored with just 49 seconds on the clock.

But the Argentinians, who beat India 5-2 in the Pool Stage of the tournament, refused to panic. They began to dominate, patiently building attacks before Gianella Palet equalised on 6 minutes. It stayed 1-1 until half-time.

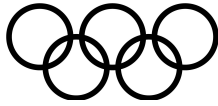

Argentina's second goal and ultimately the winning goal came just 2 minutes into the second period, Brisa Bruggesser being the scorer. India failed to respond. Indeed, Bruggesser had opportunities to make the game safe.

Once the final whistle went to signal a 2-1 victory ecstatic players and coaches began celebrations guaranteed to go long into the night.

Earlier in the men's final Malaysia overcame a 2-1 half-time deficit to defeat India.

India took the lead after just a couple of minutes with a goal from Vivek Prasad. A couple of minutes later Firadus Rosdi levelled the scores for Malaysia. Vivek Prasad restored the Indian lead. There was no further scoring in the first half despite constant pressure from Malaysia on the Indian goal.

Three minutes after the resumption of play, Akhimullah Anuar, equalised for Malaysia. With just over three minutes remaining Malaysia took the lead for the first time, Amirul Azahar scoring. And in the last couple of minutes of the final Akhimullah Anuar made certain of victory for Malaysia. It ended India 2 Malaysia 4.

There were ecstatic scenes after the Women's Final as Argentinian players, coaches, fans alike celebrated gold on home soil.

In 5 a side Hockey, the format played at the Youth Olympic Games (YOG), matchday squads are comprised of 9 players, 5 on the pitch, 4 on the bench. There are rolling substitutions. Unlike in the full 11 a side format, goals can be scored from any part of the pitch.

Buenos Aires 2018 is the third edition of the Summer Youth Olympic Games (YOG) to be held, bringing together the world's best young athletes between the ages of 15 and 18. For the first time in Olympic history the Games will have gender equality, with equal numbers of males and females competing in the 32-sport programme.

Almost 4,000 athletes from 206 National Olympic Committees will be competing for 1,250 medals. The Youth Olympic Games Buenos Aires 2018 feature new sports and many new disciplines and events, reflecting the passions of the 'Game Changers', a new generation of athletes and fans.

The event offers a glimpse into the future of the Games as the new programme will introduce several innovations that will be replicated at the Olympic Games Tokyo 2020.

The first Summer Youth Olympic Games took place in Singapore in 2010. The second edition was held in the Chinese city of Nanjing in 2014.
